Tri-anim Celebrates 50 Years of Empowering Patient Care

Dublin, OH – Tri-anim Health Services, a leading provider of specialty medical products with a focus on anesthesia, respiratory and critical care, is proud to announce its 50th anniversary. For half a century, Tri-anim has provided healthcare professionals with the products, services and solutions to solve complex clinical challenges, so clinicians can focus on what matters most—caring for patients.

Celebrating 50 Years of Excellence

Founded in 1975, Tri-anim has grown from a regional distributor to a national leader, serving hospitals, surgery centers and other healthcare facilities across the United States. By streamlining clinical workflows and optimizing supply operations, Tri-anim has helped healthcare providers achieve better patient outcomes, shorter lengths of stay and reduced readmissions.

"Reaching our 50th anniversary is a testament to the trust and loyalty of our customers," said Brian LaDuke, CEO of Sarnova, Tri-anim's parent company. *"We are honored to have made a positive impact on patient care and look forward to continuing our mission of empowering healthcare providers for many more years to come."*

The company's commitment to excellence has made Tri-anim the go-to consultative partner for its customers, engaging at every level to address their most complex clinical and operational challenges. *"At Tri-anim, we are passionate about making a difference for our customers and their patients,"* added Aric Vacchiano, President. *"Our focus on quality outcomes, cost reduction and operational efficiency has been the cornerstone of our success, and we are excited to build on this legacy."*

Commitment to Customer Satisfaction

With a mission to empower patient care and a vision to solve customers' challenges, Tri-anim remains steadfast in supporting healthcare providers. Tri-anim's robust distribution system ensures product availability with leading fill rates and fulfillment accuracy. The company advocates for products that drive quality outcomes and lower costs, supports product evaluations and trials, integrates new solutions into workflows, and provides comprehensive staff training. This end-to-end service has positioned Tri-anim as a leader in customer satisfaction.

Looking Ahead

As Tri-anim celebrates this milestone, the company remains dedicated to its mission of empowering patient care, by the side of healthcare providers every step of the way. With a focus on solving clinical and operational challenges, Tri-anim continues to give healthcare providers more control over what matters most: caring for patients.
